

Fun ways to learn: *What's next?*

Be creative. Look through different parts of the newspaper (in-print or online) for stories, features and images that spark an interest in your child and use that interest to have some fun. Here's an easy tip to help you have fun while you're helping your child learn:

When reading a story with your child, stop occasionally ask him to predict what will happen next. Show them how to do this once by predicting what you think will happen.
