

Communicate with your child's teacher

If you want to know what's going on at school - ask. Here's an easy tip to help your child learn:

Ask your child's teacher for the best ways to communicate with them. Share what you prefer. It may be writing a note, calling the school, emailing, or writing notes back and forth in your child's daily planner. Remember, it is your right to contact the teacher any time you have questions or concerns.
